Plug and Play Compatibility

THE PORTABLE SSD FOR ALL COMPUTERKIND™

The Envoy Pro FX is one giant leap For All Computerkind. Plug it into yesterday's and today's Thunderbolt and USB equipped Macs and PCs, or tomorrow's Thunderbolt 4 and USB4 machines. You can even plug it into iPad Pro, Chromebook, and Surface devices.

The X in Envoy Pro FX means you can enjoy Xtreme max performance and can handle every audio, video, photo, graphics, and gaming task you throw at it. Whether you're looking to access and save files from an older machine, backup personal files, or do some in-field large format video editing, this powerful drive is built to deliver.

The Envoy Pro FX serves up flexible uses in Xtreme environments. Its sleek, heat dissipating aluminum housing is IP67 rated, so you can work in the dirtiest and wettest environments. Take on the urban jungle or a chaotic movie set with supreme confidence that your data is protected by MIL-STD810G certified military-level drop toughness.

Key Features

- Perfect for audio, video, photography, graphics, gaming, and general data storage/backup use

- Advanced storage technology with TRIM support works with Thunderbolt to deliver the fastest and most reliable portable drive performance available today

- Certified dustproof, drop-proof, and waterproof[2]

- Bus-powered, smaller than most compact smartphones

- Fanless, heat dissipating aluminum housing

- Non-skid rubber feet keep drive in place

- At a glance confirmation of power and activity status

- Included Thunderbolt/USB cable

- 3 Year OWC Limited Warranty
