OWC Mercury Elite Pro

3.5-inch USB 3.2 5Gb/s External Storage Solution

For Your Ever-Growing Data Collections

The Mercury Elite Pro is an essential external storage solution for creative pros, business users, families, and gamers to store and backup their ever-growing library of content. It offers up to 16TB of music/video/photo storage and file backup in an easily accessed single location with plug-and-play simplicity.

The fanless, brushed aluminum chassis runs cool and nearly silent while the shock isolation design protects critical files and footage. The Mercury Elite Pro is not just all work and no play...use it to watch videos, listen to music, and view pictures through your Smart TV or add more games to PS4 and Xbox One consoles.

Key Features

- Up to 283MB/s real-world speed¹
- Up to 16TB capacity
- Apple Time Machine and Windows File History ready
- Cool, nearly silent operation
- Built-in shock isolation protects drive
- Includes matching vertical stand
- Non-skid rubber feet for horizontal use
- Use with Mac, Windows, and Linux machines; PS4 and Xbox consoles; and Smart TVs
- Drives included — 3 Year OWC Limited Warranty
- Enclosure only — 1 Year OWC Limited Warranty

OWC Mercury Elite Pro
